USDA HARVEST SHOW

Here's a wonderful opportunity for all you Victory Gardeners. You have labored hard since last spring over those gardens and now you're going to get some public recognition.

There's going to be a Harvest Show in the Patio on October 2 and 3, so round up your choice specimens of fresh vegetables and fruits, canned vegetables and fruits, and garden flowers. These five items form the divisions under which exhibits may be entered. There are a number of classes under each division; for example, beets, potatoes and tomatoes are classes under the division Fresh Vegetables. In most instances, three samples of the fresh produce make one exhibit and one glass jar of the canned food makes one exhibit.

One gardener may have only one exhibit in a class but may have as many exhibits in the divisions as he wishes. There are also collections of produce listed as classes in several of the divisions. For copies of the complete rules governing the exhibit see your contact officer.

Bring your exhibits to the Patio on October 2, between 8:30 and 10:00 a.m. There will be someone there to receive them and to give you an entry blank. The show will be open to the public at 12:30 p.m., October 2, after judging has been completed. Results of the judging will be an award of \$5.00 in War Stamps to the sweepstakes winner in each division. All exhibits must be removed from the Patio by noon, October 4. For further information, call W. H. Youngman, Ext. 2480.

MERITORIOUS PROMOTION

Williams, Marketing Specialist (Chief, Processed Products and Standardization and Inspection Division), Office of Distribution, for his skillful and effective management enabling his Division to carry on a tremendous increase in work due to the emergencies of war.

FOR F. S. GALLON DONORS

Dr. K. P. Davis and I. H. Sims of the Forest Service have made up small 3 x 5 boxes for the desks of the eleven Forest Service members who have donated eight times to the Red Cross Blood Donor Service. The boxes, of black cherry, hold scratch paper ready for handy use and each is adorned with a blood donor's button and the gallon club red ribbon. Mr. Sims, who is Bureau Chairman of the Blood Donor Program, hopes he and Dr. Davis will have to make more of the boxes in the near future.
